Report of Principal and School Improvement Council

With the opening of two new elementary schools, Springfield's enrollment dropped significantly in the 2009-2010 school year. The school presently serves about 580 students with 40 instructional staff in addition to the administrative team and support staff.

In 2009, Springfield earned recognition for closing the achievement gap; in addition, they also earned Palmetto Gold for meeting 29 out of 29 objectives. Teachers, staff, and parents continued their commitment and support of school improvement.

Like many others, Springfield was affected by the difficult economic situation. We lost our elementary Spanish program and several academic assistants; however, everyone worked to ensure that our students received a quality instructional program. Teachers used a wide variety of instructional approaches. These included integrated thematic units, discovery learning, modeling, and demonstration. Thinking maps and technology were also used to support student learning. All grades had a two hour uninterrupted literacy block. Manipulatives and a math lab encouraged the acquisition of key mathematical concepts.

With Springfield's desire to continuously grow as a learning community, the staff was regularly involved in professional development. Recent staff development focused on literacy workstations and Thinking Maps.

Springfield Elementary continued to offer extracurricular activities that provided an opportunity for students to explore skills and abilities outside the academic arena. Students participated in a Knitting Club, a Book Club, an Environmental Club, and an Archery Club. Other activities include speed stacking, disc golf, drama and chorus, safety patrol, and student council.

Character Education played an important role at SFES. Fifth graders participated in a Bucket Club which actively involved students in service-learning projects. For example, the club collected items and raised money for Operation Christmas Child and collected food for the Fort Mill Care Center.

As we move forward, the school and community remain committed to the success of all students served at Springfield Elementary.
